GENEALOGY MEETINGS

Meetings are held at our rooms on the first Tuesday of each month at 7.30 pm, except for January. At these meetings, we have interesting topics, arrange visiting speakers, plus a chance to ask for help if wanted for your own research.

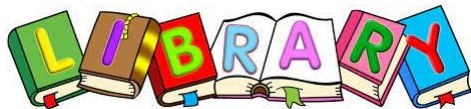

There's also time to chat.

OUR GENEALOGY LIBRARY

The library has an extensive collection of books, computer resources, including digital databases plus some older CD ROMS.

We also have free Wi-Fi and the Library is staffed by members who are willing to help.

DNA INTEREST GROUP

Do you want to know how to find your family members using DNA? Have a family mystery you can't solve? Have you had your DNA done but don't know what to do next?

Join us at our monthly DNA Interest group meetings held at the Genealogy Rooms. These will usually be on the 3rd Sunday of the month, check on our website for dates. Bring along your laptop, tablet or log in for your DNA results website.

Help and guidance given.
